#Employees/Volunteers 60 / 100+ **Annual Budget \$** 2.01 million

Board of Directors: #/Chairman 14 / Fred Broling, President (retired) Precision Glass

Overview of Ministry

World Impact is a Christian missions organization dedicated to planting churches through evangelizing, equipping and empowering the unchurched, urban poor.

Potential TBG Opportunities to Get Involved

1. Recruit a church-plant team and partner with World Impact to plant a church in the southern LA county-Long Beach area.
2. Partner with other churches to do an ***“Extreme-Makeover”*** of a womens missionary home in south central LA.
3. Establish a medical team to provide medical/dental/eye care services to the urban poor in existing World Impact church-plant target communities.
4. Develop a business plan to begin an inner city service business and job-training program for new believers in World Impact church plants.
