Overview of Ministry

SAT-7® is a satellite television ministry by and for the People of the Middle East and North Africa. The ministry has three 24-hour channels: SAT-7 ARABIC, SAT-7 KIDS, and SAT-7 PARS. All channels share a vision to provide local Christians a platform to witness about Christ's love and to deepen their spiritual walk in a manner that is faithful to God's Word and respectful to the people of the region. SAT-7 broadcasts a variety of Christian programs, in Arabic, Farsi, and Turkish. SAT-7 is the most significant ministry in the history of missions in this strategic region with over 200 million Middle Easterners that have access to satellite television. An estimated 10 million viewers now turn on SAT-7 to watch attractive, entertaining, and Bible-based programs. SAT-7 partners with over 40 international and US mission agencies.
